¹Working together to improve school attendance: applies from 19 August 2024 and states schools are expected to designate a 'Senior Attendance Champion' (SAC) - a senior leader with overall responsibility for championing and improving attendance in school and liaising with pupils, parents and external agencies. The SAC is expected to sit on the SLT and their name and contact details must be included in Pocklington School Foundation's attendance policy (see paragraphs 15, 25 and 26)

² Schools should populate this with their key contact details for attendance. This may for example be the SAC and school reception (where parents should report non-attendance).

⁶ Pocklington School Foundation should provide information and contact details of the staff who pupils and parents should contact about attendance on a day to day basis (such as a form tutor, head of year etc) and for more detailed support on attendance (such as a head of year, pastoral lead or family liaison officer etc) in Appendix 1

POCKLINGTON SCHOOL FOUNDATION

Attendance Policy and Procedure

9.3 All staff

9.4 Pocklington School Foundation ensures that all teaching and non-teaching staff know the importance of good attendance and are consistent in their communication with pupils and parents about it.

9.5 Pocklington School Foundation provides appropriate training and professional development for staff consistent with their roles and responsibilities.

10 School Arrangements

10.1 Pocklington School Foundation will accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence. These registers must be kept electronically. Contact details of relevant staff can be found at the front of the policy and other details about Pocklington School Foundation's arrangements can be found in Appendices Appendix 1-Appendix3.

11 Monitoring Attendance

11.1 Pocklington School Foundation will undertake regular data analysis to identify and provide additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across Pocklington School Foundation and develop strategies to address them. Such analysis may include:

11.1.1 Monitoring and analysing weekly attendance patterns and trends and provide support in a targeted way to pupils and families;

11.1.2 Using this analysis to provide regular attendance reports to pastoral leads to facilitate discussions with pupils and to leaders (including the special educational needs coordinator and designated safeguarding lead) as appropriate. In the prep school, this should be provided to the 'prep learning support coordinator'.

11.1.3 Conducting thorough analysis of half-termly, termly, and full year data to identify patterns and trends;

11.1.4 Analyse attendance data at whole school, year group and cohort level to identify areas of focus for improvement;

12.2 Pupils should be aware that:

POCKLINGTON SCHOOL FOUNDATION

- 12.2.5 any unexplained absence will be followed up;
- 12.2.6 persistent lateness or non-attendance will result in action being taken by Pocklington School Foundation. This may take the form of:
 - (a) offers of support to seek to identify and address any barriers to attendance;
 - (b) communication with parents;
 - (c) reporting to other agencies such as children's social care; and
 - (d) sanctions against them or their parents in line with Pocklington School Foundation's behaviour policies.
- 12.2.7 If pupils are having difficulties that might discourage or prevent them from attending School or specific lessons regularly, they may speak to any member of staff, although Pocklington School Foundation encourages them to speak to their Form Tutor or those staff identified in Appendix 1 in the first instance. Pupils are entitled to expect this information to be managed sensitively.

13 Additional Needs

- 13.1 Pocklington School Foundation recognises some pupils may find it harder than others to attend School and will work with those pupils and parents to try to remove barriers to attendance by building strong and trusting relationships and working together to put the right support in place.
- 13.2 Pocklington School Foundation will make reasonable adjustments where a pupil has a disability that puts them at a substantial disadvantage, in comparison with pupils without a disability, in relation to school attendance.
- 13.3 It will also work with parents, and where appropriate with the local authority, to develop specific support approaches for attendance for pupils with special educational needs and disabilities.
- 13.4 Suitable strategies will also be considered for pupils with any social, emotional or mental health issue that is affecting their attendance⁷.
- 13.5 Where barriers are outside of Pocklington School Foundation's control, Pocklington School Foundation will work with parents and pupils to identify alternative sources of support or consider, where appropriate, making a referral for early help.
- 13.6 Pocklington School Foundation will make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using the national absence code I (unable to

attend because of sickness) and there are reasonable grounds to believe that the pupil will have to miss 15 consecutive school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.⁸

14 Parent / Guardian Responsibilities

- 14.1 The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education.
- 14.2 This means pupils must attend every day that Pocklington School Foundation is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from Pocklington School Foundation.
- 14.3 Pocklington School Foundation will help parents to understand what is expected of them and why attendance is important to their child's attainment, wellbeing, and wider development and provide clarity on the short- and long-term consequences of poor attendance.
- 14.4 Expectations Pocklington School Foundation places on parents can be found in Appendix 1 of this policy
- 14.5 Parents are bound by the terms relating to conduct and attendance in the parent contract and failure to ensure a child's attendance or engage with Pocklington School Foundation about it could amount to a breach of contract or a finding that the parent is treating Pocklington School Foundation unreasonably.

15 Information Sharing

- 15.1 Personal information on attendance will only be shared in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.
- 15.2 Pocklington School Foundation, local authorities and other local partners will work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familial harms).
- 15.3 Where appropriate Pocklington School Foundation will attend regular targeting support meetings.⁹
- 15.4 Pocklington School Foundation is legally required to share information from the registers with the local authority, ERSCP. As a minimum this includes:
 - 15.4.1 New pupil and deletion returns;

⁸ See paragraph 57 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024

⁹ Targeting support meetings are meetings local authorities have with schools to discuss attendance data and identify pupils and cohorts at risk of poor attendance and agree targeted actions and access to services for those pupils. See chapter 4 of the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

POCKLINGTON SCHOOL FOUNDATION

Attendance Policy and Procedure

- 15.4.2 Attendance returns in accordance with **ERSCP Procedures** ¹⁰;
- 15.4.3 Sickness returns.
- 15.5 The law allows local authority officers access to the attendance and admission registers of all types of schools to carry out their functions under the Education Acts to support joint working between schools and local authorities. These officers are also permitted to take digital or physical extracts of Pocklington School Foundation's registers.
- 15.6 Pocklington School Foundation must provide specific pupil information on request to the Secretary of State. Pocklington School Foundation meets this requirement by having an electronic management information system containing the required information that can be accessed by the DfE¹¹. Pocklington School Foundation also uses this tool to monitor pupil level attendance and understand trends in attendance patterns.
- 15.7 Where appropriate, Pocklington School Foundation is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

16 Record Keeping and Confidentiality

- 16.1 All records created in accordance with this policy are managed in accordance with Pocklington School Foundation's policies that apply to the retention and destruction of records.
- 16.2 The information created in connection with this policy may contain personal data. Pocklington School Foundation's use of this personal data will be in accordance with data protection law. Pocklington School Foundation has published privacy notices on its website which explain how Pocklington School Foundation will use personal data.

¹⁰ Schools are required to provide attendance returns to the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been recorded as absent for a continuous period of ten school days where their absence has been recorded with one or more of the national attendance codes (G, N, O, and/or U). ERSCP require the school to inform the education welfare service on form CME1a (emailed to education.welfare@eastriding.gov.uk) who will follow the procedures for missing pupils, for each individual case, at the time of absence 10+days. Regular reporting should be no less frequently than once per calendar month - see chapter 2 and content on sharing information in the statutory guidance Working together to improve school attendance: applies from 19 August 2024.

¹¹ The DfE has stated that the easiest way to meet the requirement to share the data is to have an electronic management information system containing the required information that can be accessed by the DfE. Once Pocklington School Foundation has granted permission the flow of data is completely automated and does not place any further burden on schools or local authorities.

Appendix 1 School Arrangements

1 Managing attendance

- 1.1 Pocklington School Foundation monitors, records and shares data about pupil attendance and as part of its duty to safeguard and protect pupils and promote attendance. It accurately completes admission and attendance registers¹² as required by law and set out in Appendix 2 and Appendix 3 respectively. The admission and attendance registers must be kept electronically and retained by Pocklington School Foundation for the relevant time period as stated by law.
- 1.2 Pocklington School Foundation expects all pupils to be present at School for the whole of Pocklington School Foundation day, usually from registration at 8:30 am to close at 3:50 pm, but this period may be extended, for example for out of school clubs, sports fixtures or school trips.

2 The role of parents / carers

Pocklington School Foundation expects all Parents to:

- 2.1.1 make any application for an authorised leave of absence at the earliest opportunity;
- 2.1.2 notify Pocklington School Foundation of any absence or delay as soon as reasonably possible in accordance with this policy and when doing so, give an accurate explanation for this; and
- 2.1.3 cooperate with Pocklington School Foundation to explore possible barriers to attendance and to improve it where attendance has been raised as an issue.
- 2.2 Parents of day pupils should ensure their child attends School in good time to ensure they are present for morning registration which is at 8.30AM;
- 2.3 Parents of boarding pupils should ensure their child returns to their boarding accommodation as per communication from the Head of Boarding.

3 Registration and attendance checks

- 3.1 Morning registration is at 8:30am. The registers will remain open for 25 minutes after the start of morning registration.
- 3.2 Afternoon registration will be 1.25 pm to 1:45 pm for the Prep School, and 2:00pm for the Senior School.
- 3.3 Pocklington School Foundation uses iSAMS Attendance Management Systems¹³

¹² Boarding schools without day pupils are not required to keep an attendance register. Schools with a mixture of day pupils and boarders must keep an attendance register for the day pupils.

¹⁴ Children being absent from school, particularly repeatedly and / or for prolonged periods and children missing education, can act as a vital warning sign of a range of safeguarding issues, including exploitation. Exploitation can affect any child, however international students may be at greater risk than other children. UKVI's Student Sponsor Guidance states that a school must have appropriate policies and procedures in place to ensure the safety, wellbeing and protection from exploitation of the children whom it sponsors to study in the UK under the Child Student route.

10 Senior School Summary Guide

ROUTINE/SHORT ABSENCES FROM SCHOOL

- Parents requesting absence from school for **short periods during normal school hours** (eg medical appointments), should write a letter or e-mail to the **Tutor** (cc **HoM/BHoP**) who will give permission as appropriate. They will inform relevant staff and Registration for information.
- If within the school day, the pupil must **sign out** at the school office/reception and **sign in** on their return. Correspondence regarding absence received by the Form Tutor should be forwarded to the HoM.
- For **boarders**, absence for health appointments will be recorded via the Health Centre and the **BHoP**. **BHoPs** will inform relevant staff (tutors / teaching staff) and Registration in advance.

SINGLE DAY ABSENCES FROM SCHOOL

- For parental requests regarding a planned **full single day** of absence from school (e.g. family wedding), for either boarding or day pupils, letters or e-mails should be forwarded in the first instance to the relevant **Tutor (cc Day HoM)**. If families have pupils in more than one Division of the School then **all relevant Tutors (cc HoMS)** should be informed and a co-ordinated response will be made to the parents. The **Head of Pocklington Prep School** must also receive requests if families have siblings in both Foundation schools.

¹⁴ Children being absent from school, particularly repeatedly and / or for prolonged periods and children missing education, can act as a vital warning sign of a range of safeguarding issues, including exploitation. Exploitation can affect any child, however international students may be at greater risk than other children. UKVI's Student Sponsor Guidance states that a school must have appropriate policies and procedures in place to ensure the safety, wellbeing and protection from exploitation of the children whom it sponsors to study in the UK under the Child Student route.

POCKLINGTON SCHOOL FOUNDATION

THE SCHOOL'S POSITION ON GIVING PERMISSION TO MISS SATURDAY FIXTURES

Representing the School as member of a sports team is an important part of education and experience at Pocklington School. It is an expectation that pupils who are selected to represent the school attend fixtures bar in exceptional circumstances. The school has a great reputation for sport and for fulfilling its sporting commitments with other schools – made possible by the commitment and support of parents, pupils and staff.

The School is happy to support the occasional family event that cannot be changed. For those families with a special request for a Saturday absence, the process is the following:

- I. Emails should go to Day Housemaster / Housemistress or Tutor e.g. with the request and reason well in advance and at the start of the week at the latest. The absence is granted if in line with School Policy.
- II. Absence requests are then communicated as appropriate to sports coaches by the member of staff contacted.
- III. Short notice absence (e.g. illness on a Friday night / Saturday) must be reported by email from a parent to the team's coach and / or the Director of Sport. It is also helpful if Housemaster / Housemistress are copied in.
- IV. Absence requests must come from parents / guardians and not the child. Teams / email messages from pupils are not sufficient.

REQUESTS FOR ABSENCE FROM SATURDAY FIXTURES TO ATTEND SPORTING EVENTS OR SIMILAR RECREATIONAL EVENTS)

Whilst we try to be as accommodating as is appropriate in giving permission for timely and reasonable requests, we politely ask that parents avoid planning such trips in term time, especially when it involves students who are involved in pre-arranged fixtures. As a School, we want to field our best teams and we never want to let other schools and players down by having to cancel a fixture because of a lack of numbers. This is a particular risk in the case of rugby fixtures where absence has a significant impact. Seeing sport played at the highest level can be an inspiration and where we can accommodate reasonable requests that have been made well in advance we will try to do so. We are grateful for parents' support and understanding in that we cannot guarantee permission will be granted in all cases.

**'FUTURE ABSENCE' is a group e-mail that includes the Director of Sport, Deputy Head (Pastoral), Registration, Senior Nurse and an address for the Central logging of permissions for absence. It is an internal group email that works only on the school's Outlook Mail system. Staff should see Appendix 1 for clarification on procedure.

- 1.5 On each occasion it will be recorded whether every pupil with the exception of a pupil who is a boarder is:

3.3 In the limited circumstances when Pocklington School Foundation decides to use remote education for individual pupils when they are absent, the following will be considered:

3.3.1 ensuring mutual agreement of remote education by Pocklington School Foundation, parents or carers, potentially pupils, and if appropriate a relevant medical professional. If the pupil has an Education, Health and Care plan or has a social worker, the local authority should also be involved in the decision;

3.3.2 if remote education is being used as part of a plan to reintegrate back to school, putting a formal arrangement in place to review its efficacy regularly, alongside identifying what other support and flexibilities can be put in place to help ease the pupil back to school at the earliest opportunity;

3.3.3 setting a time limit within which the period of remote education provision should be reviewed, with the aim that the pupil returns to in person education with the required support in place to meet their needs.

3.4 Pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. Pocklington School Foundation will keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register. Where

Examples include:

 - 4.1.2 the reason for absence has not been provided;
 - 4.1.3 a pupil is absent from school without authorisation;
